## **SOME BASIC RULES OF THE TIME TRIALS**

Smooth, clean, wide shoulder. There will be no parking in front of the start line.

Any car parked in front of the start line will be towed at owner's expense.

Warming up on the course once the racing begins is forbidden and you will be disqualified if you ride on the course while racing is in progress. Turn around point will be marked with an orange cone in the middle of the road. **MAKE NOTE THAT THE U17 RIDERS WILL HAVE A DIFFERENT TURN AROUND POINT. U17 TURN AROUND POINT IS 3.5 MILES FROM START LINE. ALL OTHER RACERS GO 5 MILES OUT AND BACK.** Cutting the race course short will get you disqualified.

You must wear a CPSC approved bicycle helmet during warm up while racing and during cool down. Sorry as much as I love them, leather hairnets do not count as a helmet.

It is your responsibility to show up at the start line on time. Showing up late only adds to your time split.

**Roads are OPEN to traffic. This means while you are racing, warming up, etc. there will be cars traveling on Weatherby Road, rt548. When you are approaching the turnaround point please make sure no traffic is coming up from behind you!!!!!!!!!!!!!!**

**Start times for each race date will be posted on [www.teambeacon.org](http://www.teambeacon.org)**

**Race results will be posted on the same website**
